Other Business

Chairman Schooley explained some issues with service from our current solid waste contractor, Republic Services. He said he understood St. Louis had also been experiencing some issues but had developed a routine to help with missed pickups.

Giles explained that Matt Biolette from Republic had met with them, and personally dealt with customer issues and staff issues. There are still occasional problems, but they have seen much improvement.

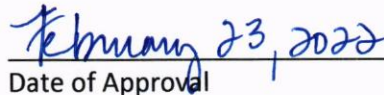

Discussion followed about specific incidents and options available in the contract for making changes.

Members agreed a letter would be sent to Matt Biolette regarding the possibility of a meeting with the public. Schooley will draft the letter for Giles to review.

Motion by Giles, seconded by Schooley, to adjourn the meeting at 10:25 a.m. Motion carried with all ayes.
